January 16, 1998.

Millennium Power Partners, L.P. (Millennium) filed an application for authorization to engage in wholesale power sales at market-based rates, and for certain waivers and authorizations. In particular, Millennium requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions

(F) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of Millennium's issuances of securities or assumptions of liabilities. * * *

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is February 17, 1998.
